NEW SLETTER OF LAGUNA BEACH COMMUNITY CLINIC

Last year, the Clinic produced its first annual Spring Fashion Show. All of the people who attended had so much fun that they begged us to do it again! So we are....

This year, we're presenting "A Fashion Show ...with a Twist." The event will be held under the tent at Tivoli, Too! 777 Laguna Canyon Road, on Sunday, February 12.

The festivities will begin with Champagne at 11am followed by a delicious brunch buffet featuring strawberry crepes, chicken with artichokes and mushrooms and June's Famous potatoes and then the fashion show starring local models.

This Valentine-themed party will showcase fashions from local designers and stores including Bardot Collection, Gallery of Wearable Art, Hobie Sports, Indian Summer, Just Looking Boutique, Kiri Brooke Collection, Meeschka, Sutton Place Boutique, Textile Dreams and TOPS.

A Fashion Show ... with a Twist

One item from each collection will go to the highest bidder in a lively auction led by Anne Morris.

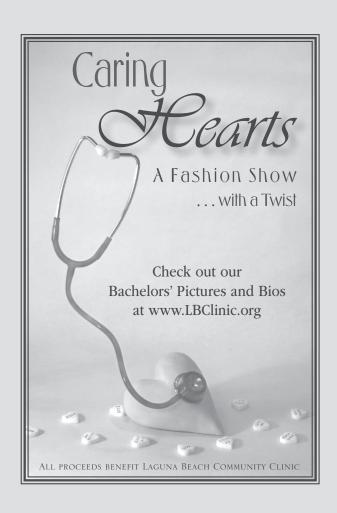

The "twist" is that we're having a Silent Auction of dates with local bachelors.

We have five bachelors of various ages and they're all adorable!!! Their pictures and bios are posted on our website www.LBClinic.org. Check it out!

This unique event will be a lighthearted opportunity for you to bid on a date (evening hosted by a local restaurant) with one of these gorgeous guys either for yourself or for a single girlfriend or daughter.

What a great Valentine's Day gift—donate to Laguna Beach Community Clinic and give the opportunity for romance!

Clinic Board Member, Debbie Mulligan, twirls as she models in last year's fashion show. All proceeds from our "Caring Hearts...a Fashion Show with a Twist" will go to support the programs and services of Laguna Beach Community Clinic, now entering it's 36th year of providing quality medical care to our neighbors in need.
