The new face of the Clinic with fresh landscaping & paint

The staff, Board of Directors & Friends of the Clinic are so proud of our newly renovated clinic building we want to show it off. Everyone's invited!

Come see the success of our *New Face for a Caring Place* program. Board and staff members will be offering tours of our medical facilities along with the behind-the-scenes areas of the Clinic.

Our generous donors have enabled us to repaint the inside and outside of the Clinic, install new flooring and new landscaping. We are enjoying brand new office furniture in several areas, and the nurses' station was rebuilt to increase ergonomics and efficiency.

We'll be having a celebration on October 8, so whether you visit the Clinic regularly, it's been years since you've been here, or if you've never seen the inside, come on down and see all our improvements. You'll be amazed at our transformation!

An RSVP would be appreciated so we can plan food and beverages.
Call 949.494.0761 x 134 to RSVP. *No charge for admission!*

Shop 'til you Drop & Support the Clinic!

For the third year, Laguna Beach Community Clinic has been selected as one of the Orange County non-profit organizations benefiting from Macy's Passport In-Store shopping celebration. Macy's produces Passport In-Store to help local organizations raise funds for their HIV/AIDS programs.

On Saturday, September 30, Macy's South Coast Plaza will host an event dedicated to SHOPPING! The activity-filled day will include fashion events, special discounts, and the chance to win a \$1000 Macy's shopping spree!

The tickets are only \$10, and are available at the Clinic. *One hundred percent of proceeds from our ticket sales will go directly to fund our HIV/AIDS programs.* Also, with every Clinic ticket that is redeemed, Macy's contributes an additional \$3 to the Clinic. Last year the total was over \$2500!

Ticket holders will receive discounts of 10-20% off throughout Macy's on almost all regular, sale and clearance items in the main store as well as the Men's Store and the Home and Furniture Store. The discount excludes cosmetics, fragrances and some designer handbags.

Your ticket can be used to enjoy the party atmosphere on September 30, or for an effortless shopping experience, use your ticket starting September 20 to pre-select your purchases. Macy's will hold your items for pick-up September 30 through October 6.

This is a great opportunity to do your holiday shopping early or just treat yourself! So, buy a ticket, go shopping at Macy's, get discounts, have fun AND support the Clinic. Buy tickets for your friends and enjoy a day shopping together!
