Komen Funds Clinic's Breast Care Program

December 13, 2010 – The Laguna Beach Community Clinic has received two awards from the Susan G Komen Race for the Cure, Orange County.

Adriana Nieto-Sayegh, RN and Clinic Director, accepted the grants on behalf of the clinic. Both grants fund the LBCC Breast Care program

The first award for \$70,000 helps provide continuation of medical services provided by the clinic in the Women's Health care program such as education and early detection comprehensive breast care for the women served by the Clinic.

provides education and early examination including screening mammograms for the women served by the Clinic.

The second grant is a floating fund that supports securing additional medical procedures such as needle biopsies, diagnostic mammograms, and ultra sound exams for women requiring additional diagnostic services.

We are grateful to the Komen Race for the Cure and the many women and men who support its mission to save women's lives with early detection of breast cancer. Early detection saves lives."

The Komen grants enable us to provide this life-saving medical service to our clients regardless of a their ability to pay," Nieto-Sayegh concluded
