**September 26, 2011** - The Board of Directors of the Laguna Beach Community Clinic hosted an open house to the public on Thursday, September 22, from 4:30 PM to 6:00 PM.

The Clinic opened its facility so that the community can become acquainted with its programs and resources. More than 120 guests attended the open house and many participated in a room-by-room tour of the clinic provided by board member Dr. Marion Jacobs.

Board member Roya Cole, Doctor's Ambulance and Waste Management Company sponsored the open house.

"We were so pleased to introduce family physician Dr. Reshmi Sinha, who has joined our medical team," said Dr. Pamela Lawrence, President of the Board. "We are fortunate to have another full-time physician on staff in addition to Dr. Tom Bent."

Dr. Sinha is a graduate from UCLA and served her family medicine residency at UCI. She is fluent in Spanish, Hindi and Bengali.
